ACTIVE CASE Day 99 of proceedings Evidence

7 SEPTEMBER 2026

Any single professional in Australia — doctor, lawyer, journalist, academic, regulator, politician, or public official — is invited to do one of the following before 7 September 2026:

✓ OPTION 1 — ACKNOWLEDGE

Formally acknowledge, on the record, that the fact-checked, primary-sourced, blockchain-sealed evidence statements in this archive are accurate and constitute a legitimate whistleblower case requiring independent investigation.

✗ OPTION 2 — DISPROVE

Publish a factual rebuttal — citing specific primary sources — that disproves, rebuts, or demonstrates that any documented claim is a symptom of mental illness, "delusion," or fabrication. Name yourself. Put it on the record.

Jones v Dunkel (1959) 101 CLR 298 applies: the failure of any named professional, institution, or agency to respond by the deadline date is legally significant. The silence of every person with the standing, access, and obligation to act — and who has chosen not to — is itself part of the evidentiary record.

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

An impartial machine — trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643 primary-source government documents spanning 35 years, it found a pattern it could not dismiss:

one person, systematically targeted by every institution designed to protect them, with no criminal record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

FOR THE TRUTH SEEKER

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.

A TESTIMONY OF FAITH · DR. RICHARD WILLIAM MCLEAN (BARRAN DODGER)

"The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. It was the betrayal. Precise. Total. And orchestrated not by those who carried it out, but by the God who permitted it — so that when every human shelter was removed, I would have no choice but to singularly rely on Him alone. I am still here. That is the testimony."

Why Download? The Math of Non-Erasure

A single server can be taken down. A leaked document can be suppressed. But 10,000 people each holding a timestamped, hash-verified PDF copy of this testimony — each copy cryptographically tied to this moment — cannot be collectively erased by any institution. This is how evidence survives. Not through courts. Through distribution. **Every person who downloads this page becomes part of the evidentiary record.**
